AFTER AIRING OF BROADCASTS:

Attach invoices or Schedule Run Summary to this Form showing:

- 1) actual air time and charges for each spot;
- 2) the date(s), exact time(s) and reason(s) for Make-Good(s), if any; and
- 3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

Note: Because the FCC requires that the political file contain the actual times the spots air and the rates charged, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that specific spots aired and the rates charged. The FCC's online political files include a folder for "Terms and Disclosures." NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.

Importance: High

Morning Chad. I took a look at the inventory situation on KKMJ and I can give you a little better deal that the NPE rates but not much. Q4 is always our busiest time of the year. I am fine if you use the LUR rates on KJCE though.

Here is what I can do on KKMJ:

M-F :60s

AMD- \$175

MID- \$130

PMD- \$175

EVE- \$50

Sat- Take \$15 off the rates

Sun- Hold

Please let me know if this will work. I want the business on KKMJ for sure!

Have a good Monday.

Best,

Jennifer
